## ALL HALLOWS COLLEGE

### XMAS ENTERTAINMENT

The Comedy, "Enemies Since Wagram," Is Given; Also "The Secretary."

All Hallows college Christmas entertainment, given Friday night at the college hall, was a success from every point of view. The hall was artistically decorated with bunting, flags, shields, painted panels and college pennants. The music was furnished by the college orchestra. In the comedy "Enemies Since Wagram," Barney Quinn and Julius Hilgard, the two veterans of Napoleon's wars, did work that would have been credited to men of more years and experience. Nelson Hogan won an encore for his euphonium solo "Bella," and the Sweetest Story Ever Told. Mr. Knutsen also won an encore by a bass clarinet solo, "The Flower Song," and rendered "Rocked in the Cradle of the Deep." "The Secretary," a comedy, was presented by boys who showed good histrionic ability. Norman Kane as the "old man" did remarkable work, and Roger Powers deserves credit for his impersonation of Charles. J. Frank Hagenbarth made the closing remarks and gave the boys wholesome advice in a pleasing manner.

NEW APPLICATION BLANKS for land entries have been received at the Land office. In making a homestead entry but one blank is used where before it required three. Only one blank is used in making a desert land entry. In making application for a timber or stone entry two blanks are used where formerly eight were required. One blank, under the soldier's additional homestead entry, by assignee, is all that is necessary to be used. These blanks are all made out in the Land office for applicants without the aid of an attorney.

A CASE IS ON TRIAL in the local Land office before the Register and Receiver, but not yet finished, which involves the character of a certain place of land. It is the case of Robert McMichael, protesting against the State of Utah. In this contest the northwest quarter of section 26, township 22 north, range 12 east, is involved. The land was selected by the State as agricultural land. McMichael is seeking to acquire title to the land under the coal land laws. The question is determined is the character of the land—coal or agricultural. The case will be finished next week.

### IMPORTANT MEETINGS

#### AT COMMERCIAL CLUB

Two important meetings will be held at the Commercial club Saturday. At 12:30 the purchasing committee of the club will come together to select five members of the club who will be voted on at the next annual meeting to serve on the board of governors for the next three years. A sixth member also will be selected to serve for two years, and thus complete the unexpired term of Col. Wall, resigned.

At 7 o'clock there will be a meeting of the committee of nine appointed to prepare the address to the country on the need of additional coinage of silver and the means of securing it. It is understood that a formal address has been prepared dealing with all the points discussed at the convention held recently at the Commercial club, and that this will be read to the committee of the whole. As the details of the address have been under consideration for nearly two weeks and have been thoroughly discussed, it is expected that the address will be passed by the committee without amendment.

## PRESIDENT ORDERS TROOPS BACK HOME

Continued from Page One.

has as yet been received, is as follows: To His Excellency, Theodore Roosevelt, President of the United States, Washington, D. C.

"Every effort yesterday by us for conference and settlement refused by mine owners. Commissioners hearing only charges of organized labor as witnesses. Not square deal. No disorder here, and will be none. Willing to concede everything for honorable adjustment and return to work. Can you, and will you help us?"

"By O. N. HILTON, Attorney."

This telegram did not reach the President before his order regarding the removal of the troops was made.

The members of the commission sent to this city by President Roosevelt to investigate the labor situation here will leave tomorrow for Los Angeles, and thence will proceed to Washington. A report from the commission was sent to the President this morning, and it was upon this, presumably, that the President acted in ordering the troops away from Goldfield on December 30. A final report will be made tomorrow by the Mine Owners' association and the civic bodies of Goldfield to induce the President to allow a portion of the troops to remain.

### STINGING REPRIMAND FOR NEVADA'S GOVERNOR.

WASHINGTON, Dec. 20.—President Roosevelt today directed the withdrawal of United States troops stationed at Goldfield, Nevada, on Monday, December 30, next.

Telegrams on which the decision to withdraw the troops is based were given out at the White House today. The first, under date of December 17, directed to Governor Sparks of Nevada, and signed by the President, reads:

Action Not Justified.

I sent troops at your request because from the tenor of your telegram and from the representations made me by the two Senators from Nevada and the members of the lower house of Congress from Nevada, it appears that an insurrection was imminent, against which the State authorities would be powerless. The troops have now been in Goldfield ten days and no insurrection has occurred, and seemingly no circumstances exist to justify your calling on me for action by the troops under the provision of the Constitution. The troops were sent to Goldfield to be ready to meet a grave emergency which seemed likely to arise, and not to provide a substitute for the exercise by the State of its police functions. I don't feel at liberty to leave them indefinitely under such circumstances that they will in effect be performing on the part of the United States those ordinary duties of maintaining public order in the State of Nevada, which rests upon the government of the State. As the Legislature of Nevada has not been convened I am bound to assume that the powers already vested in the police officers of the State are adequate, and that if they are not they can be maintained by the State. Under these circumstances, unless there be forthwith further assurance to justify keeping the troops at Goldfield, I shall direct that they shall return to their former station.

THEODORE ROOSEVELT.

The following telegram was sent to Governor Sparks today by the President:

Roast for Sparks.

I have received no answer from you to my telegram of December 17, in which I said that unless there was forthwith further cause shown to justify keeping the troops at Goldfield, I should direct their return to their former stations. I am informed by the three representatives of the Department of Commerce and Labor who are in Goldfield by my order that you have stated to them in writing that you will not convene the Legislature to consider call for troops nor take the necessary steps to form a safe military force. Their report further satisfies me that there is no disturbance threatened by the government of Nevada ought not to be able to control if it starts to work with a serious purpose to do so, but that no call for troops is made by the government of Nevada to take the steps necessary in the matter. I stand ready to see that the national government does its full constitutional duty in the matter of preserving order, but this readiness on the part of the national government does not excuse the State government for failure to perform its full duty in the first place. Federal aid should not be sought for by the State as a method of relieving itself from this duty, and the State should not be permitted to substitute the United States for the government of the State in the ordinary duties of maintaining order within the State. For the reasons given in this and my former telegram I have accordingly directed the troops to return to their former station on Monday, December 30 next.

THEODORE ROOSEVELT.

### PROTEST AGAINST THE WITHDRAWAL OF TROOPS

RENO, Nev., Dec. 20.—Republican National Committeeman H. L. Flannigan of Nevada has telegraphed to President Roosevelt that the action of Governor Sparks in calling for troops for Goldfield had the endorsement of every reputable citizen of Nevada and that the withdrawal of the troops would be followed by a return to the dangerous conditions that prevailed before the soldiers arrived. Tonight the dispatch to the President was signed by 200 of the leading business and professional men of Reno.

Gov. Sparks Ill.

RENO, Nev., Dec. 20.—Gov. Sparks is ill at his home in this city, and no statement could be obtained from him tonight regarding the order of President Roosevelt to withdraw the troops from Goldfield.

### Debate Question.

At a meeting of the members of the two debating teams of the university from the freshmen and senior classes held Friday, the question for their coming debate, the last of the interclass series, was selected. The question is: "Resolved, That children of Orientals should be excluded from primary schools of the United States. The seniors will take the affirmative side of the question."

### What Ails You?

Do you feel weak, tired, despondent, have frequent headaches, coated tongue, bitter or bad taste in morning, "heart burn," belching of gas, acid flingings in throat after eating, stomach gnaw or burn, foul breath, dizzy spells, poor or variable appetite, nausea at times and kindred symptoms?

If you have any considerable number of the above symptoms you are suffering from biliousness, rapid liver with indigestion. Dr. Pierce's Golden Medical Discovery is made up of the most valuable medicinal principles known to medical science for the permanent cure of such abnormal conditions. It is a most efficient liver invigorator, stomach tonic, bowel regulator and nerve strengthener.

The "Golden Medical Discovery" is not a patent medicine or secret nostrum, a full list of its ingredients being printed on its bottle-wrapper and attested under oath. A glance at its formula will show that it contains no alcohol, or harmful habit-forming drugs. It is a fluid extract made with pure, triple-refined glycerine, of proper strength, from the roots of the following native American forest plants, viz: Golden Seal root, Stone root, Black Cherry bark, Queen's root, Bloodroot, and Mandrake root.

The following leading medical authorities, among a host of others, extol the foregoing roots for the cure of just such ailments as the above symptoms indicate: Prof. R. Bartholow, M. D., of Jefferson Med. College, Phila.; Prof. H. C. Wood, M. D., of Univ. of Pa.; Prof. Edwin M. Hale, M. D., of Hahnemann Med. College, Chicago; Prof. John King, M. D., Author of American Dispensatory; Prof. Jno. M. Scudder, M. D., Author of Social Medicine; Prof. Laurence Johnson, M. D., Med. Dept. Univ. of N. Y.; Prof. Finley Ellingwood, M. D., Author of Materia Medica and Prof. in Bennett Medical College, Chicago. Send name and address on Postal Card to Dr. R. V. Pierce, Buffalo, N. Y., and receive free booklet giving extracts from writings of all the above medical authorities and many others endorsing in the strongest possible terms, each and every ingredient of which "Golden Medical Discovery" is composed.

Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels. They may be used in conjunction with "Golden Medical Discovery" if bowels are much constipated. They're tiny and sugar-coated.

### NEW ROUTE FOR CARS TO MILITARY POST

Line Will Reach Fort Douglas Via Popperton Place Next Year.

The change in the routes of the street car lines from Salt Lake to Fort Douglas which are proposed by the Utah Light & Railway company have been approved by the United States Government and will be made in the spring. The Second South street line, which now runs cars to the fort every twenty minutes, will be discontinued from Mount Olivet cemetery to the fort. The First street line will be extended from its present terminus at the fort to the present terminus of the Second South street line. This last change will involve building additional track inside the reservation for a distance of about half a mile.

Joseph S. Wells, general manager of the railway company, said Friday night that the change was made because there was not enough traffic to and from the fort to pay the expense of the two lines which are now operated. As the northern line passes through Popperton Place, it was proposed to retain that line in order to accommodate the people who lived there.

### BABIES MUST TAKE BACK SEAT FOR HAY

The babies will have to take a seat in the second row. For years they have been referred to as "Utah's best crop," but according to the report of the Bureau of Statistics, the hay crop has distanced them. In the report of State Auditor Edwards, ex-officio State Statistician, filed with the Auditor Friday, the hay crop for 1906 had a commercial value of \$8,000,000. The number of acres under cultivation was 358,471, and the average yield was 2.2 per acre. The population in 1906, the report says, was 346,873. The following table shows the value of precious metals for the year 1906:

	Value
Gold, 470,976 ounces.....	\$ 9,735,884
Silver, 15,981,315 ounces.....	10,629,547
